Katarungang Pambarangay Implementation Rule Compilation

Grouped by Residency, Offense Type, Penalty/Fine, Settlement Eligibility, VAWC/Child Protection, Manual-Review Triggers, Process Rules, and Execution Rules

Scope: R.A. 7160 Chapter 7 (Katarungang Pambarangay), R.A. 7160 Section 515, DOJ Implementing Rules, and the uploaded KP Handbook. Lupon-member formation/qualification/benefit details are intentionally excluded except where a process rule requires reference to mediation, conciliation, arbitration, records, or execution.

Source note: The Official Gazette URL supplied by the user was treated as the primary statutory reference for R.A. 7160. Because the Official Gazette page could not be directly retrieved during preparation, the R.A. 7160 text was cross-checked against the Supreme Court E-Library copy and the uploaded DOJ/Senate booklet reproducing Sections 399-422 and Section 515. The uploaded DILG/SALIGAN handbook was used for narrative process guidance and the enumerated case list. R.A. 9262 and R.A. 7610 are included only as safety cross-references for VAWC and child-protection manual-review handling.

7. VAWC and Child-Protection Safeguards

The KP sources and R.A. 7160 do not provide a separate "VAWC settlement" category. For implementation safety, VAWC and child-protection signals should be treated as referral/manual-review triggers because special laws impose protective, confidentiality, and non-compromise duties. These rules are included as guardrails for a barangay system, not as an expansion of ordinary KP jurisdiction.

Rule ID	Safeguard	Rule / operational reading	Authority	System action
SAFE-VAWC-01	VAWC not ordinary KP settlement	R.A. 9262 treats violence against women and their children as a public offense and states that Sections 410, 411, 412, and 413 of the Local Government Code do not apply to proceedings where protection-order relief is sought. Barangay officials must not force compromise or abandonment of relief.	R.A. 9262, Sec. 25 and Sec. 33; cross-reference to R.A. 7160, Book III, Title I, Chapter 7, Secs. 410-413	Automatic manual referral; disable amicable-settlement workflow when VAWC/protection order is indicated.
SAFE-VAWC-02	BPO jurisdiction	Barangay Protection Orders are issued by the Punong Barangay to order the perpetrator to desist from acts under R.A. 9262 Sec. 5(a) and (b), and must be issued on the date of filing after ex parte determination; if the Punong Barangay is unavailable, an available Kagawad may act.	R.A. 9262, Sec. 14; Supreme Court E-Library RA 9262	If VAWC physical harm/threat is alleged, route to BPO workflow, not KP settlement.
SAFE-VAWC-03	VAWC confidentiality	All records pertaining to VAWC cases, including barangay records, are confidential; publication of identifying information may lead to imprisonment/fine under R.A. 9262.	R.A. 9262, Sec. 44	Mask names/addresses and restrict access for VAWC records.
SAFE-CHILD-01	Minor/incompetent participation	Minors and incompetents may be assisted by next-of-kin who are not lawyers in KP proceedings.	R.A. 7160, Book III, Title I, Chapter 7, Sec. 415; DOJ IRR Rule VI, Sec. 6; Handbook Definition of Terms and Ch. 2, p. 21	Require age/capacity field; add non-lawyer next-of-kin field.
SAFE-CHILD-02	Child protection policy	R.A. 7610 declares special protection for children from abuse, neglect, cruelty, exploitation, discrimination, and conditions prejudicial to development; child abuse includes psychological/physical abuse, neglect, cruelty, sexual abuse, emotional maltreatment, degrading acts, deprivation of basic needs, and failure to give medical treatment to an injured child.	R.A. 7610, Article I, Secs. 1-3	Any child abuse/sexual exploitation/serious neglect signal should trigger referral/manual review outside ordinary settlement.
SAFE-CHILD-03	Minor-related KP-listed offenses	The handbook's KP case list includes minor-related offenses: inducing a minor to abandon home (RPC Art. 271), abandoning a minor under 7 (Art. 276), abandonment of minor by custodian/indifference of parents (Art. 277), swindling a minor (Art. 317), simple seduction (Art. 338), and acts of lasciviousness with consent of offended party (Art. 339).	Handbook Ch. 2, pp. 22-23; RPC Articles as listed	Even if listed, require manual review when victim is a minor, allegations involve sex/lascivious acts, neglect, or family violence.

8. Manual-Review Trigger Table for Software Implementation

Use these triggers to prevent the system from automatically classifying sensitive or legally doubtful matters as ordinary barangay settlement cases.

Important Implementation Caution

This compilation is designed for thesis/system rule-mapping and barangay workflow visualization. It should not be used as a substitute for legal advice. Before operational deployment, confirm current penalties, amended laws, local ordinances, DOJ/DILG issuances, Supreme Court circulars, and the actual facts of each case. When the system cannot confidently decide, it should route the matter to manual review rather than accept or reject automatically.
